FEEDBACK

Dear Students,

I wish you all for passing the examination. Among those who appeared for 6th Kyu among them,

- Arijit did good, he has a nice execution of Age Uke.
- Agnimitra and Parthiv need to work on their Push-ups.
- Parthiv and Pratyush also need to maintain timing, I suggest more seriousness they need.
- Jishan did well as per his age.
- Samrat needs more power in his technique.

** Please work on that and everyone work on stances. Remember weak stance mean weak karate.
